Excellent Value with Unrivaled Reliability

The ERPM4 is the perfect everyday rocking platform for a wide range of mixing applications. The solid state speed control has a speed range of 5 - 50 RPM and is controlled from a simple to operate turn dial on the front of the mixer, whilst the Ratek silent belt drive system will deliver years of quiet reliable operation without service. The platform is large enough to accommodate up to 16 x 250mL flasks or 5kgs, yet small enough to be part of your daily workstation.
